## Raising Some Eyebrows

I'm a little obsessed (okay, a lot obsessed) with my eyebrows. Here are a few "secret" sources for them.

**Threading:** This ancient method of hair removal is said to be one of the most precise, and until now, you had to trek into Manhattan to get the job done. But you can get more than just a fabulous cut and color at VASKEN DEMIRJIAN SALON in White Plains—the experts there have also got eyebrow threading down to a science. 12 City Place, White Plains, 285-0800
